Birch Run High School

Soft October sun floods over the Intermediate Building at the southeast corner of the campus - starting point for Birch Run's traditional Homecoming parade.

BIRCH RUN AREA SCHOOLS

Birch Run, Michigan

The Homecoming queen's crown occupies the attention of Student Council advisor Jerry Psotka and Student Council president Charlene Periard as they ponder one of the many activities handled by the student government group.

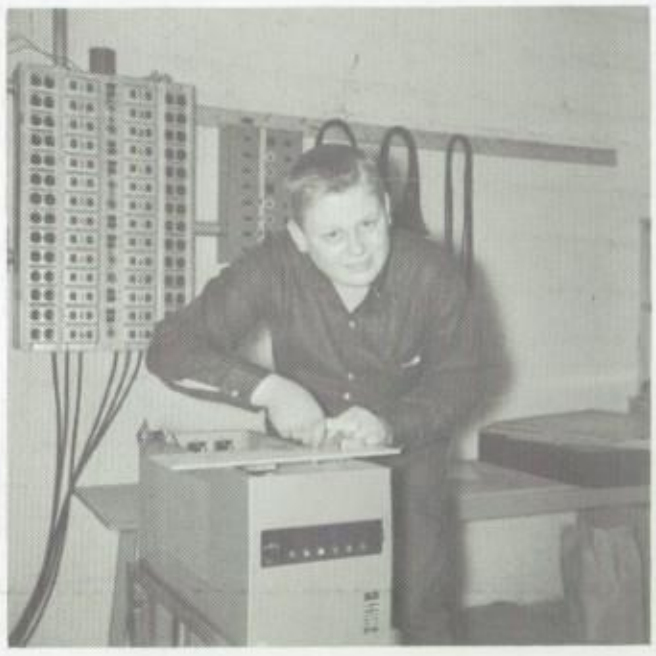
THEY SERVED WITH DISTINCTION

"Junior" Toddish



Roger Bowns

Back stage won't be the same next year. Roger Bowns and Casimir "Junior" Toddish won't be there. Probably the sets will get built and probably the house lights will dim on cue but the labors of two of the most valuable stage hands in the history of the Birch Run theatre won't be involved. Roger and Junior may not have thought that their efforts were so highly valuable during some of the more difficult rehearsals, but three successive directors do.
